

POST-SECONDARY INSTITUTIONS ACCREDITATION STATUS

The following list identifies by institution and country all post-secondary institutions recognized and accredited by the Seventh-day Adventist church, along with the year each institution was first accredited and when current accreditation expires. Expiration is always on December 31 of the year identified, and during that same year the next accreditation visit will be scheduled.

The following definitions apply:

Accredited: An institution with full accreditation.

In Candidacy: An institution in the process of application for full accreditation. Programs are still recommended for transfer to other accredited institutions. A maximum candidacy term is two years.

In Pre-candidacy: An institution that has met basic criteria for operation and is working towards candidacy status. Programs are not yet recognized for transfer to other accredited institutions. A maximum pre-candidacy term is five years.

On Probation: An institution that has had full accreditation but is not presently meeting accreditation expectations in some critical areas. After a set period of time, accreditation will either be revoked or reinstated depending on the institutional ability to meet defined conditions. Programs are still recommended for transfer.
